

Gyroscope - the game to send you spinning off your head! Attempt to guide a fast and furiously gyrating gyroscope across twelve separate screens. Make the most of your seven lives in this unique arcade strategy challenge. But we have to tell you - it's not easy! Steep slopes, slippery glass, directional magnets, aliens and narrow ledges are among the many obstacles you will find in this amazing 3D scenario. Hi-resolution graphics and superb synthesiser music combine to create the atmosphere of this compulsively addictive game.
