

Introduction

Aardvark's Orlando has brought the award winning Zalaga - made famous on the BBC Micro - over to the Acorn Electron. And it's even faster than ever. Zalaga - a computer game classic which brings home probably the closest feel to true arcade 'shoot 'em up' action devised to this day.

Aardvark Software is dedicated to providing programs of unsurpassed excellence - each a classic of its type. When you feel you have the mastery of Zalaga, 'phone this number to check the best score nationwide: Hornchurch: (04024) 53131. If you can do better, issue your challenge in writing and send it with your name, address, highest score and code to:-

Zalaga Electron Title Challenge, Aardvark Software, 100 Ardleigh Green Road, Hornchurch, Essex RM11 2LG.
