

PLAYING THE GAME

To complete the game you must be able to complete all 40 screens without using any passwords. You must diffuse the time bomb by passing over it; after you have

collected all the "rewards"

collected the "golden crown"

killed all the "monsters"

The Life of Repton has a total of 40 screens, stored as five files of eight screens each. they appear as follows:

1 BABY
2 SCHOOL
3 TEENAGE
4 WORK
5 OAP

The individual files may be loaded by selecting the "L" option at the main menu.
